**The President's Tour**  
NIAGARA FALLS, Sept. 2.—The President,  
on reaching this place, was escorted to the  
international Hotel, and delivered an address  
from the balcony to a demonstrative crowd,  
assembled in the vicinity. Mr. Seward also  
made a speech, in which he said that President  
Johnson was being abused at present just as  
President Lincoln was immediately prior to  
his assassination. He also predicted that the  
radical party of the State of New York would,  
if they did not change their present course, be  
defeated by 40,000 majority. In the evening  
a ball was given which proved a grand affair.  
Nearly all the President's party, excepting  
himself and Gen. Patterson and lady, were in  
attendance.

The President visited Goat Island, and had  
his carriage driven as far as the centre of the  
Suspension Bridge. It was expected by the  
guests of the Clifton House that the President  
would place his feet upon Victoria's dominions,  
but they were disappointed.

In the afternoon a delegation from Louisiana  
paid their respects to the President, and a St.  
Louis delegation also arrived, intending to  
insist on the extension of the tour to their city.  
General Geo. H. Thomas and ex-President  
Fillmore joined the party, temporarily at the  
Falls.

NIAGARA FALLS, Sept. 3.—The President  
this morning accepted an invitation to visit St.  
Louis. He will leave Chicago on Friday  
morning for Springfield, stopping at the latter  
city till evening, and then take the train for  
St. Louis and spend next Sunday there.

At Buffalo the President and his party were  
greeted by thousands of people with enthusiastic  
cheers.

The procession, after passing along the chief  
streets, reached Niagara Square at 11 o'clock.  
There it was received by the military in long  
lines. The scene was of the most animating  
character and exceedingly brilliant.

The presidential party were conducted to the  
astorly adorned platform, and after comparative  
order had been restored, ex-President  
Fillmore introduced the President to the people,  
the President making an address.

At the conclusion of the President's speech,  
the party were escorted to the house of Mayor  
Wells, where they partook of a collation. Subsequently  
the procession reformed and the  
presidential party were escorted to the Lake  
Shore depot, where at 1 o'clock, they took the  
cars for Cleveland, where they will arrive this  
morning.

There has been but little excitement in this  
city, and the enthusiasm has been chiefly for  
General Grant and Admiral Farragut, who  
were frequently cheered.

**BY THE ATLANTIC CABLE.**  
LONDON, September 1.—The London Times  
of today, in view of the questions arising  
between England and America, growing out of  
the recent war in the United States, and the  
more recent raid by the Fenians into Canada,  
urges the British government to take into  
serious consideration the feasibility, if not the  
necessity, of extending the provisions of the  
neutrality laws as to hold the different governments  
to a strict liability for all acts in violation  
of that law, committed by the subjects of each.

PARIS, Sept. 1.—The Emperor Napoleon,  
in a letter to King Victor Emmanuel on the  
11th of August, rejoices that the era of peace  
has returned. He says he accepted the cession  
of Venetia from Austria in order that the people  
of that country might be enabled to choose  
their own destiny. France, the Emperor adds,  
has exerted her influence in favor of humanity  
and the best interests of the people of Italy  
and of Italy.

FRAGRE, Sept. 1.—The terms of peace  
between Austria and Italy are in rapid progress  
towards settlement, and it is generally believed  
that peace will be fully and finally consummated  
between these powers in ten days.

LIVERPOOL, September 3.—Two steamships  
of the Cunard line have sailed hence for Canada  
with troops. The Telegraph says that the  
ship in sending these troops to Canada  
is simply to meet the spirit manifested by the  
colored in the late Fenian raids.

LONDON, Sept. 3.—The Times of this morning  
says that the solution of the Roman question  
will quickly follow the cession of Venetia  
to Italy.

VIENNA, September 3, P. M.—The Austrian  
government has given orders for a reduction of  
the army to a peace footing, and the work has  
already commenced.

PARIS, September 3, P. M.—It is said that  
Count Bismarck is endeavoring to form an alliance  
between Prussia, Austria and Russia.

LONDON, Sept. 3, P. M.—The official closing  
rates of consols was 89½ for money; United  
States 5-20s, 73½.

**LUMBER DEALERS.**—The undersigned  
are authorized to sell 1000 ACRES OF LAND,  
all in timber, in Fairfax county, 10 or 12 miles  
from Alexandria, on the line of the Alexandria  
and Fredericksburg Railroad, now in process of  
construction. It is heavily timbered, much of  
it being valuable ship-timber. The ties, alone,

which can be transported by water to market.  
The land after being cleared will be valuable  
for cultivation. This property can be bought  
at a price that will ensure a fortune to an enter-  
prising purchaser. Mr. Alexander Lums, who  
lives adjoining, will show the property to any  
one desiring to purchase it.
